Dearest Melissa, Sarah, Barbara and Jenny

Yesterday we received notification of the deposit of R23 000 in our bank account from the #Innit2Winnit event held on 8 September 2018. We don't know how to thank you all enough for what you have done for our organisation. Your initiative is like no other we have ever experienced. Thank you from the bottom of our hearts for your interest in our Organisation and your great kindness.

This money will help us to hold an important 'bonding camp' for some new members, along with counselling and therapeutic activities, hopefully "at the sea". This will probably happen in the first quarter of next year, 2019, and we will definitely send you photographs of the holiday/camp.

We are deeply grateful to you, your wonderful families and friends for all that you do... and the difference you make. As mentioned at the event, we are available to give talks on domestic fire safety if you would like us to. We hope to meet up soon for a quiet get-together to say thank you in person.

Sincerely

Sharon Jones and Colin Lee
