23 JUNE 2015

Dear Tanya

We would like to express our gratitude for the donation of R24000 that you have made to our Place of Safety by doing in it fundraiser for us. Now we have an opportunity to improve one of our safe houses as it is small and its all thanks to you.

May God Bless you and your Team in all areas of your life and may He shower you with every blessing.

We strive to make a difference in the lives of these children under our care and it will be an impossible task to achieve without the help of people such as yourselves in our community.

Much love

Sibongile, Di and all at Greensleeves Place of Safety
