Dear Sir/Madam

RE: DONATION COLLECTIONS FROM INNIT2WINNIT

NPO No: 031 809

This is to confirm that Tshwane Place of Safety Association acknowledges and gives the approval for collecting donations cash and other donations.

We are an NPO and also a PBO currently serving the black community of which 80% non-white. The Haven takes care of babies and toddlers who are in crisis and have medical problems. These children suffer from severe malnourishment, HIV, and TB as well as lung and heart problems.

In our view this should count towards their contribution for social-economic development in terms of the BEE Codes of Good Practice.

Thank you for your contribution to make South Africa a better place.

We trust you find the above in order and if you have any queries, you are welcome to contact us.

Yours sincerely,

Carina van Heerden
